

MESSAGE FROM THE CITY MANAGER

Fall and Season's Greetings!

I am elated to be back in OKLAHOMA and to be in Broken Arrow! My first 60 plus days have been great, and I'd like to thank everyone for welcoming Jill and me into this wonderful community. Currently, my days are filled with operational orientations with City Departments and focusing on getting out in the City and up to speed on "what's happening." Believe me...there's a lot to be excited about! I'll have more to report in the coming months.

I hope everyone is enjoying the great weather we're having and trying to get down to the Rose District or out to one of our excellent parks. In closing, with the holiday season approaching I'd like to encourage everyone to "Shop BA". Every dollar spent in our community helps both our local merchants and generates sales tax that the City returns to you in the form of local services (i.e. police, fire, parks, streets, etc.). The community's continued support of the local economy will definitely help keep the "awesome" in BA!

Michael L. Spurgeon, City Manager

December Special Events

2015 Christmas Tree Exhibit at the Broken Arrow History Museum: November 5 through December 12, Tuesdays through Fridays 10:00 a.m. to 4:00 p.m. and Saturdays 10:00 a.m. to 2:00 p.m. The BA History Museum is located at 400 S. New City Holiday

Christmas Eve Approved as New City Holiday

The Broken Arrow City Council approved a new City holiday at their September 15, 2015 meeting. Starting this year, Christmas Eve will be a paid holiday for City employees.

Holiday Trash Schedule

City offices will be closed Thursday and Friday, December 24 - 25 and Thursday, January 1. There will be no trash pickup on those three days. Trash pickup for the Thursday route will resume on the next regularly scheduled pickup day, which is Monday. Trash pickup for the Friday route will resume on the next regularly scheduled pickup, which is Tuesday. Questions? Call the Sanitation Division at 918-259-8373.

Prevent Pipes From Freezing

Before the onset of cold weather, prevent the freezing of water supply lines and pipes by following these recommendations:

- Drain water from swimming pool and water sprinkler supply lines following manufacturer's or installer's directions.
- Remove, drain, and store hoses used outdoors. Close inside valves supplying outdoor hose bibs. Open the outside hose bibs to allow water to drain. Keep the outside valve open so that any water remaining in the pipe can expand without causing the pipe to break.
- Check around the home for other areas where water supply lines are located in unheated areas. Look in the basement, crawl space, attic, garage, and under kitchen and bathroom cabinets. Both hot and cold water pipes in these areas should be insulated.
- Consider installing specific products made to insulate water pipes like a "pipe sleeve" or installing UL-listed "heat tape," "heat cable," or similar materials on exposed water pipes. Newspaper can provide some degree of insulation and protection to exposed pipes – even ¼ inch of newspaper can provide significant protection in areas that usually do not have frequent or prolonged temperatures below freezing.

During cold weather, take preventative action:

- Keep garage doors closed if there are water supply lines in the garage.
- Open kitchen and bathroom cabinet doors to allow warmer air to circulate around the plumbing.
- When the weather is very cold outside, let the cold water drip from the faucet served by exposed pipes. Running water through the pipe - even at a trickle - helps prevent pipes from freezing.
- Keep the thermostat set to the same temperature both during the day and at night.
- If you will be going away during cold weather, leave the heat on in your home, set to a temperature no lower than 55° F.

City Attorney Receives Prestigious Recognition

At an awards ceremony in October in Las Vegas, Nevada, the International Municipal Lawyers Association (IMLA) awarded the designation of IMLA Local Government Fellow to Broken Arrow City Attorney Beth Anne Wilkening. She is now one of a select number of individuals in the United States and Canada to be recognized as specialists in the field of local government law by IMLA. Not only was she named a Fellow, the Executive Director called one of her exam responses “absolutely brilliant”.

Ms. Wilkening began working for the City of Broken Arrow in 1996 then briefly spent two years in private practice before returning in 2005. We congratulate her on receiving this significant achievement!
