IDENTIFY THE PROBLEM

A policeman had a perfect spot to watch for speeders, but was not getting many.

Then, he discovered the problem; a 10 year old boy was standing up the road with a hand painted sign which read, "SPEED TRAP AHEAD."

The officer then found a young accomplice down the road with a sign painted "TIPS" and a bucket of change.

PROBLEM WITH A DOG

Police officer: Excuse me, but your dog has been chasing a man on his bicycle.

Dog owner: Are you crazy? My dog can't even ride a bicycle.
