A Gift Of A Lifetime

The City of Broken Arrow Parks and Recreation Department has developed a simple way for family, friends, companies, churches, civic organizations etc., to donate a tree(s) to be planted in one of the City's parks. The donor can request the park and the type of tree; shade, flowering, and evergreen. A two inch diameter tree will be planted by the City's Parks Division and will be maintained for three years. A plaque will be placed next to the tree(s) and the donor will be provided information on the location.

This is a gift that keeps giving season after season and a gift which can be enjoyed by the whole community.
